CAREER OBJECTIVE

To secure a responsible career opportunity, where I can fully utilize my front-end development skills, creativity, and sincerity for the best achievement of the organization. And also want to work with a team where I can enrich my skills with proper guidelines.

SKILLS

Expertise: HTML, CSS, JavaScript, ReactJS, Next JS, MongoDB, Bootstrap, Tailwind, Github, Figma.
Comfortable: Shadcn, NodeJS, ExpressJS, React Query, Firebase, React Router Dom, Photoshop.
Familiar: Mongoose, MySQL, Framer Motion, JWT, Axios, Cors, EmailJS, Stripe, Vercel, Netlify.

EXPERIENCES

- Frontend Developer at **BAITS** (March 2024 - Present): Developed and maintained websites and web applications using Tailwind CSS, JavaScript, ReactJS, MySQL, Express JS, and Next.js. Collaborated on projects, enhancing user experiences and implementing best practices. Contributed to the success of BAMS and NEDUBD.

- Full-Stack Developer at **Diginie IT** (Dec 2023 - Apr 2024): Designed and developed custom software solutions, websites, and applications. Worked with technologies like React, Next Js, and MongoDB. Delivered high-quality products and provided exceptional customer support.

PROJECTS

Business Account Management Solution (sami@superadmin.com, 123456)   Live Preview
